Celebrating Rotorua Lakes and fishery.

There are 16 lakes in the Rotorua region, 15 are fishable lakes of varying sizes and depth. The stock is predominately rainbow trout, with rainbow trout plus some brook and tiger trout present. All lakes are easily accessible by car and most can be fished from the shoreline and by wading, however a small boat opens up much more fishing opportunity. Major fishing lakes are Rotorua, Rotoiti, Tarawera, Okataina, and Rotoma. All lakes are open 365 days except for some gazetted areas on Tarawera, Rotoiti, and Okataina. These trophy lakes are closed to boat fishing over the winter period (1 July to 30 September) though certain shoreline areas remain open to land based angling year round. Talk to staff at any of the local tackle stores for information about access, regulations, and tackle advice, or visit the Eastern Region Fish & Game website <https://fishandgame.org.nz/eastern/>

FISH OUT OF WATER

mmm... I wonder which artist will dress me for this summer stay in the city..

NOVEMBER - JANUARY

2017 2018

ENTER NOW

Join us in celebrating Rotorua's magnificent lakes and fishery and our 13th year of ***Fish out of water!***

Create a unique and memorable fish to be released into the inner city streets as part of the annual **Rotorua fish trail**, where they will cavort during the festive summer season.

13 lucky fish are looking for artists who will "transform" them for their stay on the land, after all they want to look their best. Are you one of these artists?

With limited fish stock, we need you to "bid" your idea for a fish.

There are prizes up for grabs, including the people's choice award and the judges award. All artists will receive a personalized certificate.

IMPORTANT DATES *

Friday October 13: Entries open

Thursday November 9: Entries close

Saturday November 11: Artists notified

Tuesday November 14 @ 5.30pm-6pm.

Meet your fish/project briefing.

RULES

- Fish remain the property of the Rotorua Lakes Council, although you may be able to negotiate a period for exhibition.
- Be creative and innovative. Lets make sure our fish don't become marketing/advertising devices!
- **Please note in considering MATERIALS to use :**

Fish are reused each year, so it is important that they are not permanently altered or damaged, to ensure preparation needed for the fish is limited to just sanding & primer coat.

Materials chosen can withstand the elements, however will be able to be removed easily at end of project. (Also applies to glues, adhesives and fixatives.)

They will not cause risk to public safety.

Use of acrylic paint is encouraged.

- Artists must be able to collect and deliver back their fish as per the dates listed.*
(unless arranged otherwise phone or email Project co-ordinator)

ENTRIES CLOSE Thursday NOVEMBER 9TH

Submit your entry form, in a envelope marked

Fish Out of Water Entry

attention: Project Co-ordinator Jill Walker

and deliver or post to: The Arts Village
1240 Hinemaru St Rotorua 3010

OR Scan and email to: Jill Walker
